

Mackay SLSC more than just a surf lifesaving club

Mackay SLSC “Guardians of Harbour Beach since 1950” are best known for keeping the beachgoers of our community safe and over the current patrol season have completed 1000’s of hours of voluntary patrols, 100’s of preventative actions, first aid treatments and stinger drags. Most importantly there have been no serious incidents to the thousands of locals and tourists that visit Harbour Beach each year. Mackay surf lifesaving club however, contributes to the community in more ways than only ensuring you and your family are safe at Harbour Beach.

The club also offers community groups and local events support by providing first aid officers, water safety, Inflatable rescue boat support, crowd control, event management and participation in a number of community events held throughout the year, which are enjoyed by thousands of locals and visitors to our region. These include;

- Laura’s Tri 27th March & Warrior Mackay Triathlon Festival 3rd July
- Emergency Services Day 29th May
- BMA Mackay Marina Run 5th June
- Mackay Beach Horse Races 10th – 12th June
- Platypus Paddle Stand Up Paddle Board Competition 9th – 10th July
- North Australian Surf Lifesaving Championships 28th – 30th October
- Branch Championships 10th – 11th December
- Community Australia Day celebrations 26th January
- Attending local primary schools for surf education and awareness throughout the year

This is just to name a few of the major events the club is involved with, be sure you get these in your calendars and get yourself involved in the local community and what these great events can offer you and your family.

If your organisation requires event support or you are wanting to get involved in this iconic organisation please contact Mackay SLSC on admin@mackayslsc.com.au for further information.
